4th BEGO Implant Systems Global Conference

09.–10.02.2018

„The digital future is now.“

Program

Partners in Progress

Welcome

We are looking forward to the **4th International BEGO Implant Systems Conference** with great anticipation and invite you to the buzzing city of Dubai, a place of superlatives in the middle of the United Arab Emirates. Expand and deepen your knowledge. Be inspired by new pathways in implant dentistry and future-oriented technologies as well as current trends. The focus of our conference is the progressive digitalisation of implant dentistry with all its challenging and groundbreaking developments and opportunities. Benefit from the many high-quality workshops and inspirational presentations from top internationally renowned experts.

Be motivated by the penetrating scientific analyses and captivating discussions and see the bigger picture of the state of the art in implant dentistry. Use the opportunity for direct exchanges and networking with your colleagues and industry partners. A trip into the desert with a Bedouin dinner and a gala evening with surprises typical for the region will give the event an oriental flair, ensuring your professional development in Dubai will continue to be an unforgettable even once the sun has gone down.

We look forward to seeing you.

Your BEGO Implant Systems Team
